MOTOTRBO CM200d AND CM300d ACCESSORIES

MAKE IT EASY TO BE MORE EFFICIENT ON THE JOB

Simple, clear voice communication is a "must have" for your operation. We understand – that's why analog or digital, our MOTOTRBO™ portfolio is renowned for clearly better connections and workforce collaborations.

We realize that to help you excel in your job, you need accessories that match the performance of your MOTOTRBO radio – that truly fit your work environment. When you use our accessories with your mobile radio, you are simply more efficient.

That's why it's important to use Motorola Original® accessories with the CM200d™ and CM300d™. They're the only ones designed, built and tested with your mobile radio to optimize its performance.

Only Motorola accessories unleash the full power of MOTOTRBO – the most advanced digital radio platform in the industry. So as you deliver packages, dispatch trucks and coordinate shipments, you can work more easily and efficiently with our comfortable, convenient and practical accessories.

Combine our best-in-class radios with CM200d/ CM300d accessories to achieve even greater efficiency and cost-savings. **Together, you'll rethink what's an accessory – and what's a necessity.**

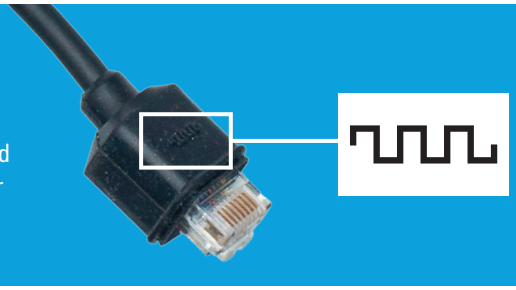
TURN EVERYDAY EFFORTS INTO MORE EFFICIENT INTERACTIONS

OPTIMIZED FOR DIGITAL

Make sure to only use Motorola audio accessories with this digital symbol, it indicates these accessories have been optimized for performance in both digital and analog mode. All accessories with this symbol have been certified and approved for CM200d™/CM300d™ mobile radios.



MOBILE MICROPHONES

Find the right microphone for the way you work – whether you're delivering packages around town or transporting children to school.

Choose from four different styles:

Compact microphones fit comfortably in your hand for quick, convenient communication

Keypad microphones let you easily navigate menus on your radio, dial numbers and more

Heavy-duty microphones are ruggedized and easy to use while wearing gloves

Telephone-style handset lets you communicate more discreetly, so others can't listen in on your conversation

PERFORMANCE THAT SPEAKS FOR ITSELF

PMMN4090	Compact Microphone
PMMN4091	Heavy Duty Microphone
PMMN4089	Keypad Microphone
GMMN4065	Visor Microphone

PMLN6481	Telephone Style Handset with hang-up cup
HLN9073	Microphone Hang-up Clip (requires installation)
HLN9414	Universal Microphone Hang-Up Clip (no installation required)

VEHICLE SOLUTIONS

Communicate safely with these essential vehicle solutions, wherever the work takes you – from the school bus to the short-haul delivery truck.

Clip the **visor microphone** to your vehicle's sun visor, so you don't have to hold a microphone. Combine it with one of our remote push-to-talk options, **pushbutton** mounted on the steering wheel or **footswitch** mounted on the floor, to provide a complete hands free communication solution.
